# Fit

Users simply stretch the mask over their head and onto their face.

F&P Solo

# Touch

With one touch, users adjust for their preferred fit by sealing the mask under their nose with a gentle push.

**AutoLock technology**
(x-ray view)

AutoLock technology holds the seal in place and requires only a single pull to release the headgear.

# Sleep

AutoLock technology comfortably holds the mask in place, dynamically responding to sleep movement and CPAP-therapy pressures.
