Wendy Fascia

MA, MBA, RT, RRT-NPS, CES-A

Jessica W. Parry

PT, DPT, NCS, CSRS

If you're keen to learn how RTs and PTs can collaborate to help patients on the road to recovery, then this month's webinar is for you.

Topics include:

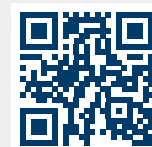

- The ABCDEF bundle and PADIS guidelines.
- How to build an interdisciplinary team to create a culture of mobility in the ICU.
- The effect of mobility to the full-systems review.
- The psychological impacts on the patient, family and care team.

We have two experts from Crouse Health in Syracuse, NY, leading the discussion: The Manager of the Respiratory, EEG, and ECMO Programs, Wendy Fascia, MA, MBA, RT, RRT-NPS, CES-A, and Acute Care Staff Physical Therapist Jessica W. Parry, PT, DPT, NCS, CSRS.
