

Fisher & Paykel Healthcare masks do not contain magnets

In response to customer queries, we confirm that Fisher & Paykel Healthcare masks do not contain magnets. Our high-performance family of masks are designed and renowned for comfort, seal and ease of use. These masks have been created to meet a wide range of user preferences and requirements because we know the individual needs of your PAP therapy patients are unique.

F&P Nova™ Nasal

Performance defined

F&P Nova Nasal with SwingFit™ headgear - it's performance defined. From easy fitting and a stable seal to minimal noise and draft, F&P Nova Nasal delivers all-round performance

F&P Nova™ Micro

Our smallest and lightest mask¹ yet.

Featuring the soft MicroPillows™ cushion, it is designed for patients looking for a compact mask that will provide them with a natural sleep experience without compromising on stability and performance. Less is best™²

F&P Solo™

**AutoFit™ Nasal Mask*
AutoFit™ Nasal Pillows Mask***

A new era of mask innovation. F&P Solo is the world's first AutoFit™ mask. It simplifies setup like no other, using AutoLock™ technology - stretch to fit, touch to adjust

F&P Evora™ Full

Compact Full-Face Mask

This full-face mask delivers full performance with minimal contact, allowing users to move freely and sleep without compromise.

F&P Brevida™

Nasal Pillows Mask

This mask has adjustable headgear to provide users with an individual fit and enhanced therapy comfort.

F&P Vitera™

Full-Face Mask

This mask incorporates technology that works together to provide breathability, adaptability and stability.

F&P Eson™ 2

Nasal Mask

This mask features VisiBlue™ highlights to assist patients with fitting, disassembly and reassembly.

F&P Evora™ Nasal

Compact Nasal Mask

This mask has been designed to fit like a cap. The minimalist headgear has been created for an intuitive fit, while the compact seal sits comfortably under the nose.

For further information contact your Fisher & Paykel Healthcare representative or for product enquiries, go to fphcare.com/corporate/contact-us/product-enquiries

Always follow the directions for use.

*F&P Solo is sold with nasal or nasal pillows cushions. These can also be sold individually and interchanged.

1. F&P Nova Micro is the lightest and volumetrically smallest F&P Healthcare PAP therapy mask. The considered volume of the mask excludes the tubing.
2. A smaller mask can result in less mask contact on the face, having the potential to reduce unwanted effects such as discomfort, facial irritation, and red marks left on the face.

F&P, F&P Nova, Nova, Nova Micro, MicroPillows, Less is Best, SwingFit, Brevida, Eson 2, Evora, F&P Solo, AutoFit, AutoLock and Vitera are trademarks of Fisher & Paykel Healthcare Ltd. For patent information please see, www.fphcare.com/ip.
Prescription only. Use only as directed. Always follow the instructions for use. Your healthcare professional will advise you whether this product is suitable for you/your condition.
