

Our focus on doing what is best for the patient is what drives us to design comfortable, simple solutions that improve quality of life.

At Fisher & Paykel Healthcare, seeing patients have a good sleep is at the heart of what we do. This is what drives us forward. And we like to call that Care by design™.

Choose simplicity.

You probably have a lot on your mind about sleep apnea already.

Fisher & Paykel Healthcare's family of products focuses on simplicity so that you can rest easy and have the confidence to

just start.

Breathe easy with the right mask.

Gaining confidence is key to successful CPAP therapy and it begins with having a comfortable mask that fits well and is easy to use.

Nose breathers

F&P Eson™ 2

A nasal mask that has RollFit™ technology to deliver a precise fit.

F&P Brevida™

A nasal pillows mask that has an AirPillow™ silicone seal for comfort.

Nose and mouth breathers

F&P Simplus™

A full face mask that has RollFit™ technology to minimize pressure on the bridge of the nose.

Get set up and started, simply.

The beginning of anything new can be difficult, and it can take time to adjust to it. CPAP therapy is no different. With F&P SleepStyle™ we have worked to understand the daily interactions you will have with your new device, and make these as easy as possible – so you can get set up and started, simply.

Quiet and compact

Easy-access water chamber for easy filling

Simple menu allows for easy adjustments to your therapy

World-class humidification is designed to deliver a comfortable therapy

A full range of breathing comfort options

Don't be kept in the dark when you wake up.

The F&P SleepStyle App and Web displays your CPAP therapy results, allowing you to track your daily progress through key therapy data.

Instantly see your therapy data on the app after each session.

Track your therapy progress on a daily, weekly or monthly basis.
