### **Fisher & Paykel Healthcare Receives FDA Warning Letter**

Auckland, New Zealand, 9 February 2007 - Fisher & Paykel Healthcare Corporation Limited (NZSX:FPH, ASX:FPH) advises that its US operating company, Fisher & Paykel Healthcare Inc., has received a warning letter from the United States Food and Drug Administration (FDA).

The FDA's warning letter relates to deviations from the US Quality System regulation observed during an inspection of the company's California sales and distribution facility in late 2006.

Since the FDA inspection, Fisher & Paykel Healthcare has implemented a number of immediate corrective actions and has been in close communication with the FDA to address the inspectional observations. The company continues to work collaboratively with the FDA to ensure that any remaining issues are promptly resolved to the FDA's satisfaction.

The company believes it will fully satisfy the FDA's requirements and that there will be no material affect on its business.
