Stylish, Smart + Simplified

The F&P ICON+ with added simplicity

Featuring:

+ Simplified user experience including Simple Mode for patients
+ Stylish new color
+ Smart clinical technologies

We listened, we heard and we responded with an easy-to-access Clinician menu and a simple patient mode. The new patient mode offers easy access to the three most commonly used settings (on/off, ramp, humidity). These enhancements minimize your patient set-up and product instruction time, thus promoting a positive experience for you and your patients.
F&P ICON+

Responsive pressure relief.

SensAwake promotes better overall sleep. We all experience subconscious waking through the night – at which time pressure intolerance is likely to occur. Whereas other pressure relief technologies provide partial relief during expiration, SensAwake provides a prompt and significant relief in pressure to the lowest most comfortable level upon waking. This eases the return to sleep and allows effective treatment to resume.

Simulates a technician’s responsiveness to pressure intolerance:

- Detects wakefulness
- Promptly relieves pressure
- Eases the return to sleep

ThermoSmart™

ThermoSmart Technology is at the forefront of Fisher & Paykel Healthcare's humidification philosophy, and is compatible with each model of the F&P ICON+ family.

This Technology includes an advanced humidification algorithm and a heated breathing tube, which both work to provide optimal humidity and reduce condensation.

Heated Breathing Tube Humidification

- Warm tube: Heat loss + heat gain from heated breathing tube = constant heat + reduced rain-out

With the full range of Fisher & Paykel Healthcare, one stylish, easy-to-use unit, the ICON+ offers better patient care and business efficiency.
Fisher & Paykel Healthcare’s Clinical Technologies integrated into better patient care and business efficiency.

Info Technologies™

More communication. More results.

Retrieving quality sleep data in a timely and efficient manner is crucial to understand patient needs and influence therapy outcomes. Info Technologies provide a range of options to best suit your business practice.

**Data Communication**
- **InfoView™**: The patient can relay sleep data from the display screen of the device, which can then be verified using the F&P InfoSmart™ software.
- The functionality of the InfoUSB and InfoUSB (Web) have been combined into one, so the choice of data retrieval becomes even more simple and cost effective. Sleep data can be sent via the web, enabling a patient to upload their sleep data from home or any Windows® based computer connected to the internet or the physical InfoUSB can be sent via the mail for data download.

**Data Reporting**
F&P InfoSmart software produces comprehensive charting and reporting of patient data including:
- A choice of 30, 60, 90 or 365 days of summary data
- Customizable summary data up to 180 days
- 7 days of detailed data
- Cumulative summary data from first use.

---

1 Not available in all countries
**Product Specifications**

- **Dimensions**: 6.3 x 6.7 x 8.7 in (160 x 170 x 220 mm)
- **Weight**: 4.8 lb (2.2 kg) Packed Weight: 8.7 lb (4.0 kg)
- **Performance**: Pressure Range: 4 to 20 cmH₂O
- **Noise Level**: < 30 dBA
- **Water Chamber Volume**: 420 ml up to the maximum fill line

**InfoUSB Data Recording**

- **Auto and Premo**
  The InfoUSB records up to 365 days of summary compliance and efficacy data, 7 days of detailed efficacy data (AHI, Pressure, Leak), as well as cumulative data from first use.

- **Novo**
  The InfoUSB records up to 365 days of compliance summary data and cumulative data from first use.

**Included with the F&P ICON+**

- 1 x CPAP
- 1 x Carry-bag
- 1 x Water Chamber
- 1 x Chamber Lid
- 1 x Breathing Tube*
- 1 x InfoUSB
- 1 x User Instructions
- 1 x Spare Air Filter

**Replacement Parts**

- 900ICON200 Water Chamber
- 900ICON202 InfoUSB
- 900ICON203 InfoUSB**
- 900ICON204 Elbow
- 900ICON205 Oxygen Elbow
- 900ICON206 Outlet Seal
- 900ICON208 ThermoSmart Breathing Tube
- 900ICON211 Breathing Tube
- 900ICON503 Air Filter
- 900ICON218 Filter Grill
- 900ICON214 Silver Gloss Lid
- 900ICON216 Matt Gray Lid
- 900ICON217 Charcoal Lid
- 900ICON315 Soft Carry-case
- 185046221 User Instructions (English, French, Spanish)
- 185048028 User Instructions (English, Chinese, Traditional Chinese)
- 185047918 User Instructions (English, Japanese, Traditional Chinese)
- 9005W100 F&P InfoSmart CD
- 900ICON112 F&P Studio™ CD

**Product Information**

- **NZ Radio Interference C-tick mark**
- **Latex free**
- **Drip-proof**
- **UL Classified**
- **Class II Medical Electrical Equipment**
- **Conforms with medical device directive 93/42/EEC**

**Device Disposal Instructions:**
This device contains electronics. Please do not discard as regular rubbish. Dispose of electronics according to local guidelines.

**Consumable Disposal Instructions:**
Place the mask, Breathing Tube and Water Chamber in a rubbish bag at the end of use and discard with normal rubbish.
