Choose Comfort.

This product may not be right for you. Read the warnings and instructions for use before purchase.
We all sleep differently.

F&P Vitera was designed with you in mind and to provide you with comfort throughout the night.
Research shows that a comfortable mask fit can increase your chances of embracing CPAP therapy¹ therefore receiving the associated positive benefits.

So when choosing which mask to use, you should consider some of the following questions:

- Do I feel hot and overheat at night?
- Do I have sensitive or fragile skin?
- Do I move around a lot when I sleep?
- When I sleep, do I breathe through my mouth or nose?
- Do I have a preferred sleeping position?
- Is the bridge of my nose sensitive?
Choose comfort with F&P Vitera.

**Freedom to move**
The cushion adapts as you move throughout the night helping to minimize:
- air leaking into your eyes, and
- discomfort on the bridge of your nose.

**Gentle headgear**
Avoids sensitive cheekbone areas.

**Keep cool and comfortable**
Breathable headgear designed to allow for heat and moisture to dissipate.

**Personalised fit**
Adjustable headgear designed to help you find that comfortable fit.
The secret to a good night’s sleep.

We all sleep differently and comfort is unique to each of us.

With technologies designed with your individual comfort needs in mind, Vitera is a CPAP mask that seeks to provide you with comfort throughout the night for a good night’s sleep.
